Nationals Outreach Worldwide

Dear Pastor,

I am writing to inform you about what the Lord has done in the last three months.

187 souls were saved and two new Baptist churches were started in the country of Mozambique.

I had a mission conference with over 30 pastors who came on 6th to 8th July 2012.

I will be visiting and holding conferences in different cities in Mozambique starting from 6th to 20th August 2012. I will hold a conference in Chimoio, Dondo, Marrumeo, Chaia, Sena and Mutarara. I will cover over 2000km. This trip will require more funds, please pray for me and this trip. I am also taking with me two other pastors on the trip.

In this report, I have attached some pictures which shows some of the conferences I have conducted and also Christians who received the new Testament King James Vision in Chichewa which we have distributed and some other boxes which other pastors took to their churches.

I will also hold the Annual conference of 2012 on 5th October 2012 for 3 days, I don't have any funds to hold this conference as of now, I have faith that God is going to provide for the conference through you people. And after this annual conference, I will hold several district conferences around Malawi.

I would like to thank you for your prayer and financially support. May almighty God continue to bless you forever.

Thanks for now,  
Yours,  
Rev. Andrew Dzimbiri.
