Bible School Dedication

Toru Marshall

In November, Robin and I had a wonderful opportunity to travel once again to Myanmar and

Faculty and Students at the Dedication Service for the Bible College.

minister to the pastors and missionaries supported by NOW Ministries. Many of the missionaries travel for several days to attend the conference. Each one was eager to receive a blessing from the Word of God.

Pastor Jim Honeycutt and one of his church members accompanied us to help in the speaking. Robin spoke everyday to the ladies while Pastor Honeycutt and I spoke to the men.

Many of the pastors gave testimonies how they've been persecuted for their faith. The

Myanmar government is very hostile toward Christians and often threatens them with imprisonment or beatings. One missionary has a ministry of taking Bibles into China. He shared that on several occasions the Chinese government has arrested him. It was exciting to see men and women devote their time to the Lord and His service.

On Saturday, we traveled to the Bible College to dedicate the new building. What a wonderful site to see! The students were very excited because this was the first time they had all gathered in the new building. They sang, prayed and then I preached the dedication. Although we met in the building, there is still some work that needs to be completed before they can use other classes. We have a list of projects totaling about \$28,000. \$12,000 has already been provided. Please help with the remaining \$16,000 to finish this project for the Glory of God!

Help Cambodia!

Robin Marshall

While in Myanmar, Toru and I were able to visit the country of Cambodia. We were very pleased with what has been

Brother Marshall preaching with Pastor Lomar Hope dela Cruz.

accomplished through the pastors. Toru spoke to all the pastors and missionaries we support and I spoke to the wives. Everyone was receptive to our teaching and extremely appreciative that we ministered to them.

Toru had the opportunity to speak at 2 different villages where Sochea Long is ministering. At one of the villages only the children would come, but I noticed a few of the adults paying close attention from a distance. I pray that a seed of truth was planted so that Sochea can continue to share the Gospel with them. A woman accepted Christ as her Savior at the other village.

Hope dela Cruz is in charge of the other ministries we visited. He has done a wonderful job of training young men and placing them in different

ministries in the country. Hope has started 4 churches and has the desire to start more throughout the country. He is an integral part of the Bible School. He trains future pastors and missionaries to reach Cambodia and other surrounding countries with the Gospel. Brother Hope needs your help! He is lacking in much of his support he needs. Please pray about supporting ministries in Cambodia in our effort to reach thousands for Christ.

TNT FUND

"Training New Timothy's"

Every year NOW Ministries travels to different parts of the world to help train national pastors and missionaries. The purpose of these conferences is to challenge young evangelists and pastors in the areas of; soul winning, evangelistic preaching, Bible study, church administration, and many other areas of ministry. Many times Brother Marshall speaks on the home, encouraging the Christian workers to be an example before their congregations.

The "TNT Fund" (Training New Timothy's Fund) supplies the money necessary to sponsor these conferences. \$25 a month will provide training for young evangelists and pastors to be greater warriors for Jesus Christ. We covet your prayers and support of NOW Ministries.
