Toru Marshall

Recently a team from NOW Ministries was in Honduras to preach

Evangelistic Crusades in two different churches in San Pedro Sula. Pastor Jose Isidro Galeano and Pastor Victor Idiarte were great host for the meetings. The music was wonderful and the fellowship was great, but the team's goal was to bring people to Christ. Every night in both churches a member of the NOW Ministries team preached the Gospel and gave an invitation. People were saved every night; in all 17 came to Christ and many other decisions were made as well.

The National Pastors from the Conference helped also by counseling those who came forward. Each day they went out into the city inviting people to the services and

soul winning. On one afternoon, they won 4 souls to Christ. The Pastors returned with a new zeal to win souls in their home town.

NOW Ministries purpose is to bring souls to Jesus Christ. In the United States NOW Ministries conducts Revivals, Family Crusades, and Children's Crusades all with the goal of winning people to Christ. Several times a year NOW Ministries Teams travel to foreign countries and conduct Evangelistic Crusades. During the day, the team preaches to the Pastors in the area encouraging them in

their ministries, but at night their desire is to reach people for the Lord. In the past few years NOW Ministries has seen thousands saved in Cuba, Malawi, Cambodia, Philippines, and many other countries. Your prayers and support is what makes this possible. Please continue to give so people will hear about Jesus.

Latin American Pastors Conference

While in Honduras NOW Ministries conducted a 3 day Pastors' Conference, and hosted more than 40 Pastors from 6 different countries. Pastor Ed Wade, Evangelist Toru

Marshall, Evangelist Christian Guzman, and Pastor Jerry Mclean made up the speakers for the Conference. Each day God moved in a mighty way and many decisions were made by the Pastors. On Tuesday during the invitation, two Pastors who had been fighting for many years made things right with each other. The Holy Spirit moved in every session and the Pastors responded to the Lord's leading. One

This is the best Pastors Conference I ever attended. It was helpful to my ministry, my family, and my personal life. "

Pastor said, **This is the best Pastors Conference I ever attended. It was helpful to my ministry, my family, and my personal life. "** This sentiment was expressed by many other Pastors as well.

The message that seemed to excite the Pastors the most and set them on fire was preached by Pastor Ed

Wade. He used an analogy of a war horse chomping at the bit or pawing the ground, ready to get in the fight; encouraging the Pastors to be in the fight for the Lord and right. After the message, the altar was filled with men and women both dedicating themselves to the Lord. NOW Ministries expects to see great things from the Pastors and others that attended the conference.

This Pastors' Conference and Evangelistic Crusades were made possible partly by those who gave to the TNT Fund, (Training New Timothy's.) Other Conferences and Crusades are in the planning stages for 2007. Please help NOW Ministries make this a reality.

TNT FUND

"Training New Timothy's "

Every year NOW Ministries travels to different parts of the world to help train national pastors and missionaries. The purpose of these conferences is to challenge young evangelists and pastors in the areas of; soul winning, evangelistic preaching, Bible study, church administration, and many other areas of ministry. Many times Brother Marshall speaks on the home, encouraging the Christian workers to be an example before their congregations.

The TNT Fund " (Training New Timothy's Fund) supplies the money necessary to sponsor these conferences. \$25 a month will provide training for young evangelists and pastors to be greater warriors for Jesus Christ. We covet your prayers and support of NOW Ministries.
